***Letter from Alabama* available in 3 editions**

Letter from Alabama is currently available in three editions, including a Kindle eBook and two paperbacks. The book, released in 2015, is the true story of two orphaned and abandoned children saved by grace and a family's love – and by a startling letter that traveled hundreds of miles and landed in the pages of a newspaper.

The biography / narrative history richly portrays life in the 1940s, 1950s, 1960s and 1970s.

Since its initial release on April 6, 2015, the book has received reader reviews averaging Four-plus Stars at Amazon (based on 26 reviews). It is recommended by the Midwest Book Review and Donovan's Literary Services / California Bookwatch.

Midwest Book Review (August 2015) calls it a “compelling and inherently fascinating read from beginning to end” and “an extraordinary and heartwarming account.”

Order the book from your favorite bookseller

The book is available as an Amazon Kindle ebook (ISBN 9780996230902), an Amazon paperback (ISBN 9780996230919), and a second paperback (ISBN 9780996230926) available from Ingram Books. Order at any of the following:
