

Join the Cub Scouts of *Pack 266** at Good Shepherd for camping, hiking, crafts & more

If you're a boy in first grade through fifth grade – or 7 to 11 years old—then Cub Scouting can be a lot of fun and adventure for you. And for your family, too.

We are one of the longest-serving Cub Scout groups in SW Washington, delivering a quality youth program to boys and their families continuously since 1959. We offer a positive environment with trained adults and older boys helping younger ones. Our pack is conveniently located for families in our area.

We are centrally located at The Lutheran Church of The Good Shepherd, 1601 North Street, in Olympia – just across from the Olympia High School Stadium parking.

Join us on Mondays from 6:30 to 7:30 p.m. You'll make great friends. You'll learn to hike and camp. You'll light a campfire (safely, of course!). You'll gain skills and values to last a lifetime.

Meet great guys – buddies for a lifetime!

Every Cub Scout is a member of a Cub Scout Pack. A pack is a group of boys. Our group is Pack 266 at Good Shepherd.

It's a kid-friendly and family-oriented place for us to meet and have fun together – just as we have been doing for more than 55 years!

Cub Scouts do things and go places

You have lots to do as a Cub Scout. You'll play games with your buddies, learn to tie cool knots, make a first aid kit, put up a tent, go camping, build a race car or space ship, go swimming, and much more. If it's fun and safe, you can do it in Scouts! And your parents can be part of the fun. You'll also get to know older boys, called Boy Scouts, who go on REALLY big adventures. Someday, you can go on those big adventures, too.
